

13 Year Olds 14 Year Olds

June 26th, 2009

Congratulations:

As President of the host park for the 13 & 14 year old state tournaments I would like to welcome you. You have been selected to represent your district at the Northwest Park Dizzy Dean State Tournaments. It is our goal to insure that everyone who participates in the state tournaments has the same quality experience. In this package you will find all the information to help make your participation in this tournament a memorable one. **We are hosting multiple ages please make sure your team's age is indicated on all forms and correspondence submitted.**

Our location allows each team the opportunity to have their own unique experience depending on what they choose to do during their free time. We are close to beaches, theme parks, amusement centers, museums and much more! A list of area venues has been included in this package. You will also receive additional information and brochures upon arrival to help plan activities and meals for your teams.

Registration is \$250.00 per team. Of this fee, Dizzy Dean receives \$50.00 per team and \$100.00 is considered a mandatory per Team Gate Fee. The remaining \$100.00 will be used by the host park towards tournament expenses. The Gate Fee is in lieu of collecting from every individual attendee daily. Paying the team gate fee means moms, dads, brothers, sisters, aunts, uncles, grandparents, or any fan associated with your team, will not be charged an individual gate fee. Additionally, \$100.00 will be refunded to the top two (2) finishers in each division. Registration fees should be submitted on two separate checks of \$150.00 and \$100.00 each. **THE ONLY FEE THAT WILL BE REFUNDED IS \$100.00 TO THE TOP TWO (2) FINISHERS IN EACH DIVISION.**

We are looking forward to a great week of baseball here this summer, and we hope that you can extend your stay and enjoy the 4th of July Holiday Weekend in St. Petersburg.

Sincerely,

*Anton Plaines*
